ABOUT US

Connecting Manufacturers with Businesses Worldwide

5 Pillars Trading Ltd is a UK-based international sourcing, import and export company focused on connecting businesses with suitable manufacturers and suppliers across international markets. Our primary specialisation is **Food & Agriculture**, including rice, spices, Himalayan salt, pulses and tea. We also support sourcing across leather goods, home textiles, hospitality products and selected manufactured goods.

We aim to understand buyer requirements, identify suitable manufacturers, coordinate specifications and samples, and support quality and international trade processes according to the agreed transaction.

- UK-Based Company
- Global Sourcing Network
- Verified Suppliers
- Quality Assurance
- Logistics & Shipping Support
- Private Label & OEM

Our Mission

Connecting Businesses. Delivering Quality. Building Trust.

To connect businesses worldwide with reliable manufacturers and quality products through transparent, efficient and responsible international sourcing and trade. We provide competitive sourcing solutions, maintain high quality standards and support customers throughout the procurement and supply chain process.

Our Vision

Connecting Global Markets. Creating Lasting Opportunities.

To become a leading and trusted international sourcing and trading company, recognised for quality, integrity, innovation and long-term partnerships, with a strong network of manufacturers, suppliers and buyers across Food & Agriculture, Leather Goods, Textiles, Hospitality Products and more.

SOURCING COUNTRIES

Sourcing from Pakistan, India and Beyond

We aim to support businesses in the UK, Europe, Middle East, Africa, North America and other markets, subject to trade and logistics requirements.

Pakistan

Rice, salt, textiles, sports goods and selected food products.

India

Leather bags, food, kitchenware and textiles.

China

Packaging, household and selected manufactured products, where supplier capability exists.

Other Markets

Sourcing evaluated on request, depending on your requirements.

OUR FIVE PILLARS

The Values That Define Our Business

1	**Integrity** Doing Business the Right Way	Honesty, fairness and professionalism, with ethical business practices and responsible sourcing.
2	**Quality** Excellence in Every Product	Identifying suitable manufacturers, confirming specifications and coordinating appropriate quality checks.
3	**Reliability** Delivering on Our Commitments	Clear communication, careful planning and coordination with manufacturing and logistics partners.
4	**Transparency** Building Confidence Through Openness	Accurate information on specifications, quotations, payment terms and shipping arrangements.
5	**Partnership** Growing Together, Succeeding Together	Long-term relationships over short-term transactions, for mutually beneficial growth.

WHY CHOOSE US

Built on Quality, Trust and Reliability

Quality-Focused Sourcing
Specification reviews, supplier assessments and sample approvals support the quality of what you order.

Competitive Quotations
Quotations based on your specifications, quantities and agreed terms.

International Logistics Coordination
We coordinate with freight and logistics partners according to the agreed Incoterms.

Custom Manufacturing Options
OEM and private label options, subject to supplier capability.

Trade Documentation Support
Coordination of the documents relevant to your transaction and destination.

Long-Term Partnerships
Lasting buyer and supplier relationships through clear specifications and terms.

OUR SERVICES

How We Support Your Sourcing

From supplier identification to logistics coordination, our services follow your agreed requirements.

Product Sourcing & Procurement
Identify suppliers against your product specifications.

Supplier Verification
Review of supplier credentials and capabilities, with checks proportionate to the order.

Quality Control & Inspection
Coordination of samples, inspections and testing when agreed.

OEM & Private Label
Custom manufacturing and branding, subject to supplier capability.

Logistics & Shipping Coordination
Coordination with freight and logistics partners.

Trade Documentation Support
Coordination of relevant documents with brokers and partners, as required for the transaction.

HOW IT WORKS

From Enquiry to Delivery in Six Steps

01
Enquiry & Requirement
Send us your product, quantity and destination.

02
Supplier Sourcing
We identify suppliers that suit your specification.

03
Quotation & Samples
Review quotations and, where applicable, samples.

04
Order Confirmation
Confirm specifications, terms and payment.

05
Production & Quality Checks
Production progress and quality checks as agreed.

06
Shipping & Documentation
Shipping and documents coordinated as agreed.

Responsibilities at each step depend on the agreed role, contract and Incoterms.

QUALITY & COMPLIANCE

Quality-Focused Sourcing and Supply

We support product quality through supplier assessments, specification reviews, sample approvals and appropriate inspection arrangements. Independent third-party inspections and product testing may be coordinated where required by the buyer and applicable regulations. Relevant certificates and documents are assessed for each product and transaction.

Custom Sourcing

Can't find what you need? Share your requirement and we will evaluate suitable manufacturers, subject to supplier capability and your specifications.
